

Call for Proposals

ID_Tanzhaus Residencies 2023

ID_Frankfurt e.V.'s ID_Tanzhaus Frankfurt Rhein-Main invites regional project initiators working and experimenting with dance and choreography to apply for residencies culminating in an Open Studio at *Die Druckerei* in Niederrad, made possible in cooperation with Hennermanns Horde.

In 2023, ID_Tanzhaus has access to the studio Die Druckerei from 1 May through 5 June, and this time will be dedicated to allocating studio time for regional projects. We seek to design a flexible scheduling structure that meets different needs. For example, we want to accommodate projects that need two hours a day, as well as those who want to reserve a full week. This means all applicants must be willing to share the space and communicate their needs in advance to benefit as many projects as possible.

Applicants who are freelancers and active in the Frankfurt Rhine-Main region are eligible. The selection process for residencies will be anonymous and peer reviewed. The application period opens 24 March and will close on 15 April 2023.

Open Studio

Residency projects will be expected to organize an Open Studio to share their artistic research with an audience of their choosing. See our [website](#) for various examples from 2021 and 2022 including social media, online meetings, and Virtual Reality. Proposals should describe how they envision their Open Studio and which audience(s) they want to reach.

Conditions

The residency offers access to Die Druckerei's 160 m² studio, specially equipped for dance with a sprung floor and a conference table suitable for team meetings. Production, press, dramaturgical, technical support, and opportunities for networking will be available for the duration of the residency and provided by the ID_Tanzhaus team. Projects will also be offered photographic documentation.

Studio availability is offered on the following dates:

- 1 May - 5 June 2023

Fall 2023 dates might become available depending on the funding situation.
